

OUR MISSION

All Saints: An inclusive community rooted in faith, growing through love

OUR CORE VALUES

Welcome - We are intentionally welcoming to all, aiming to create an inclusive environment of safety and hospitality for all who are seeking God's love and grace, without exception.

Relationships - We value and prioritize personal relationships as we help, support, and care for one another, both within the congregation and through our connections with the surrounding community.

Growing Faith - We grow in faith together through worship and learning opportunities for all ages. We ask and consider difficult questions about faith, life, and God.

Generosity - We generously share our time, talents, and treasure as we strive to love others in our congregation, in the surrounding community, and across the world.

Grace - We aspire to model the unconditional love of God through our interactions with one another, as we accept, encourage, and forgive each other as Christ has done so for us.

Courage - We take risks to boldly embody the radical and unconditional love of Christ for the world and uphold the dignity of all people.
